Guinot Treatments

Hydradermie

An advanced treatment using ionization and oxygenation to deeply cleanse, hydrate and boost the skin cells.

75 mins	R900
---------	------

Hydradermie Lift

A mild muscle stimulant treatment used to firm and lift the skin.

60 mins R950

Hydradermie Lift For Eyes

A treatment concentrating on firming and lifting the skin around the eye as well as eliminating dark circles and puffiness.

30 mins R500

Delux Hydradermie Lift

A combination of ionization and muscle stimulation to deeply hydrate, lift and firm the skin.

105 mins R1550

Lift Summum

A hands-on treatment to lift, firm and smooth, redefining facial contours.

60 mins R950

Hydra Peel

This Phytic Acid Peel treatment minimises brown spots, smooths texture, radiates and deeply moisturises the skin.

60 mins R850

Age Summum

A treatment to target the signs of ageing using unique, quality ingredients and a specific protocol.

60 mins R850

Add Galvanic Rollers R250

Lamelle Treatments

Lamelle Express Facial

This treatment touches on removing impurities, rehydrating and repairing the skin. Perfect for teens.

30 mins R425

Lamelle Standard Facial

A standard facial including an enzymatic exfoliator and a soothing alginate mask.

60 mins R650

Target Pigmentation

A superficial BHA chemical peel containing salicylic acid to aid impurity removal and decrease the appearance of epidermal hyper pigmentation.

Beta Peel Only 30 mins R450

Beta Peel Facial 75 mins R700

Target Texture

A superficial AHA chemical peel containing glycolic acid to remove dead skin cells from the surface of the skin, increasing the cell turnover rate, resulting in a smoother, more radiant complexion.

Alpha Peel Only 30 mins R450

Alpha Peel Facial 75 mins R700

Target Ageing

A superficial chemical peel containing lactic acid to hydrate the deep layers of the epidermis, while achieving a firming and plumping effect.

Lactifirm Peel Only 30 mins R450

Lactifirm Peel Facial 75 mins R700

Target Sun Damage

Revolutionary ingredient penetration system and a unique modified retinoid, coupled with a highly effective restoration complex. A peel designed to restore the years.

Retistore Plus Peel 30 mins R800

Recommended Combos

Peel Only with Dermaplaning R850

Peel Only with Omnilux Red Light R495

Dermaplaning

Remove superficial dead skin and "peach fuzz" to brighten your complexion and allow for enhanced product penetration.

30 mins R500

Micro-needling

(Collagen Induction Therapy)

Micro-needling causes an induced injury, stimulating new collagen production and thickening of the layers of the skin, improving the appearance of fine lines, wrinkles and scarring and textural irregularities.

Full face 90 mins R1700

Full face and neck 120 mins R1900

Neck and décolletage 120 mins R1900

Microblading

A form of tattoo artistry whereby hair-like incision strokes are created with a hand held tool to mimic the natural hairs in the eyebrow.

First treatment 120 mins R1750

Touch-up treatment 90 mins R750
